Senior Adults – Pill Packing Team
DR Medical Mission Trip
Folks at the January senior adult meeting packaged 9,240 children’s vitamins for the March Volunteers in Medical Missions (VIMM) trip to the Dominican Republic. Due to the global spread of the Coronavirus the trip has been cancelled. These vitamins will be used on another VIMM trip as soon as the conditions permit. We will keep you posted.

FBC will hold Revival/Renewal Services May 3-6. Guest evangelist Rev. Roger Roller will be preaching. Begin praying for revival now! Pray God will lay people on your hearts that you need to invite and bring to revival services. The harvest is plentiful but the laborers are few. Start witnessing and sharing now!

Fear Not ……..

We are living in a period of high anxiety. Our nation and world together are facing the pandemic of the coronavirus. These are uncertain days. I encourage you to listen to the medical professionals and follow all health and safety recommendations. Read the notice in the newsletter about some common sense practices to take. As of this writing, Fairview has not canceled or altered its regular schedule. We will monitor and follow all directions from our various levels of government. Please be safe and stay home if you are sick.

Spiritually, let us all be in prayer. We need to pray for those individuals and families who are infected and sick. We need to pray for our government and medical community who will lead us in the weeks ahead. We need to claim and share the love of God through Jesus Christ for ourselves and others as fear is present in our lives. God has promised that His love can overcome even our own fears. 1 John 4:18 says; there is no fear in love. But perfect love drives out fear, because fear has to do with punishment. Rely on God for peace and strength in your lives. God is walking with us during these days. Let us share the hope of Jesus Christ to those who are imprisoned with fear.

Communion Schedule
With Easter Cantata and Revival Services planned, FBC communion schedule will be observed during these worship opportunities in April and May. Maundy Thursday, April 9, at 7:00 p.m. and Sunday, May 10 at both worship services. I look forward to remembering Christ’s great sacrifice with you.

Time to Witness and Share
We are filled with hopeful anticipation as we journey towards Easter and revival this spring. Another core value of FBC is Sharing the Gospel. Easter is a prime worship service to invite your lost friends and family to. We will be worshipping Jesus as He is risen from the dead! The Gospel will be proclaimed and people on your hearts that you need to invite and bring to revival services. The harvest is plentiful but the laborers are few. Start witnessing and sharing now!

Jim’s Jottings…

KEEPING EVERYONE SAFE—COVID 19
“We are a loving church, for everyone’s well-being, let’s love each other by not hugging and shaking hands!”

- Practice good hygiene—wash your hands often
- Avoid close contact
- Handle food carefully
- Stay home if you are sick—people who are most at risk should stay home
- Cover coughs and sneezes
- Clean and disinfect

There is a lot of great information at: https://www.cdc.gov/
This is also a great time to go to the church Facebook page and like us: https://www.facebook.com/FairviewBaptistCharlotteStreet/. If conditions warrant that the church close, you will be able to enjoy the weekly sermon(s) on Facebook or YouTube. If you have any questions about this option, please contact the church office. Also, if you haven’t, download the church app. Visit your device’s app store, search for “Fairview FXBG” to start your download, and keep in touch with US.

Flower the Cross - Don’t forget to bring your brightest flowers on Easter Sunday morning to put on our cross outside. We will be celebrating Jesus rising from the grave.

Missions (VIMM) trip to the Dominican Republic. Due to the global spread of the Coronavirus the trip has been cancelled. These vitamins will be used on another VIMM trip as soon as the conditions permit. We will keep you posted.

Kids chewable vitamins are much sought after due to their high cost (typically not donated by drug companies). Until the Senior Adults at FBC stepped in, VIMM had no choice but to purchase them. The vitamins packaged and donated by our church have been a valuable asset. Note the thank you letter from Dr. Davis of VIMM on the bulletin board. Your efforts have and will bless a lot of people, and we thank God for the opportunity to serve.
